

Banstead Wood & Chipstead

This walk has several variations and has been compiled from several other walks. Terrain is hilly and at times difficult to navigate

- circular walk 8 km
- bridleway
- footpath

0.5 kilometres

KINGSWOOD STA
(Southern)

CHIPSTEAD STA
(Southern from
London Bridge)

- 1** The walk starts steeply uphill before levelling out, skirting a clearing on your left
- 2** A narrow, winding path initially uphill, but turns left around a trunk and winds down, crossing a bridleway before attaining open fields
- 3** A signpost marks the spot (summer route) where you turn right
- 4** Our path does a brief bend uphill leftward then right.
