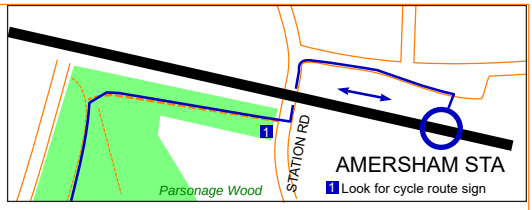
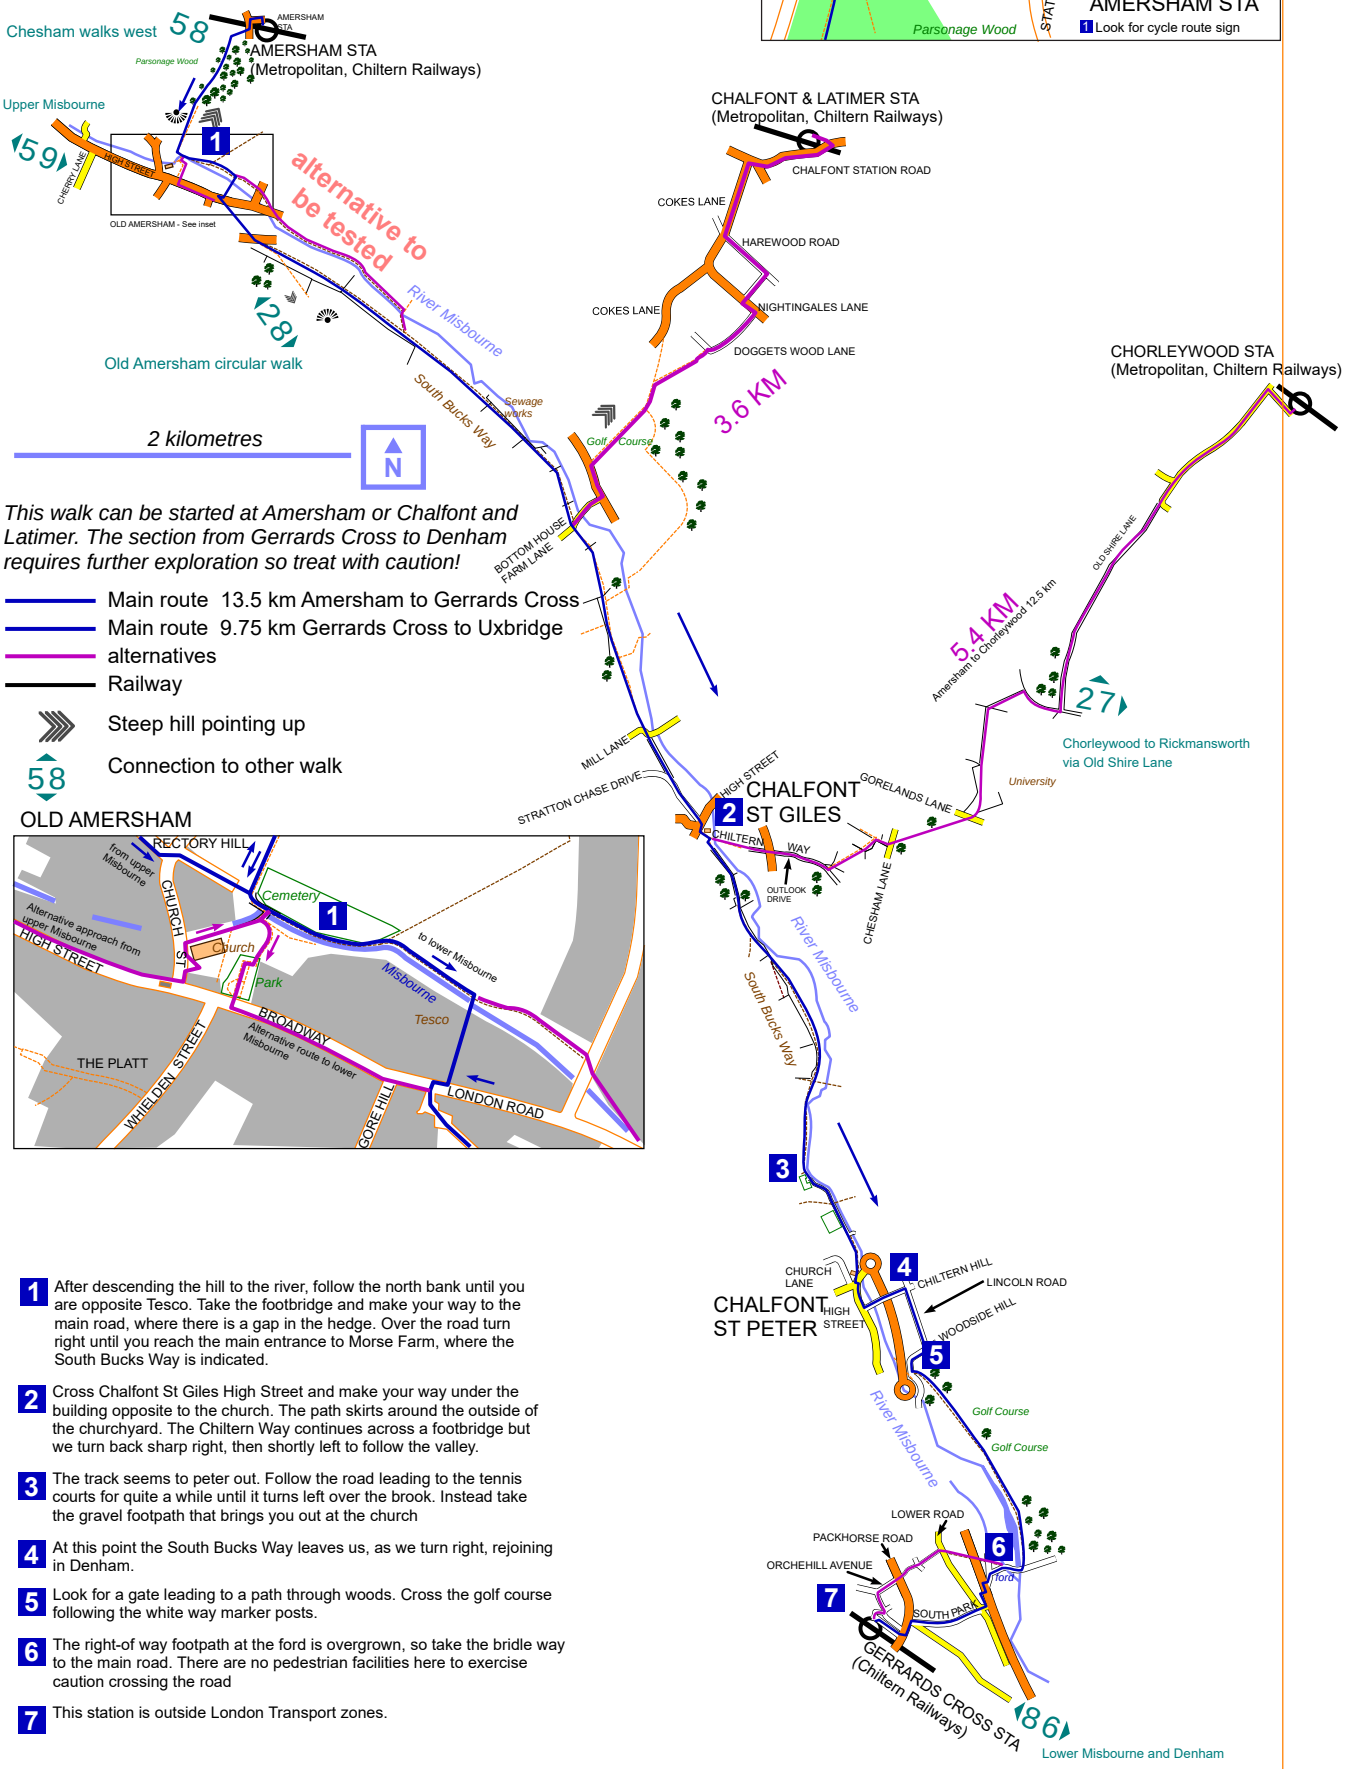
Middle Misbourne





1 After descending the hill to the river, follow the north bank until you are opposite Tesco. Take the footbridge and make your way to the main road, where there is a gap in the hedge. Over the road turn right until you reach the main entrance to Morse Farm, where the South Bucks Way is indicated.

2 Cross Chalfont St Giles High Street and make your way under the building opposite to the church. The path skirts around the outside of the churchyard. The Chiltern Way continues across a footbridge but we turn back sharp right, then shortly left to follow the valley.

3 The track seems to peter out. Follow the road leading to the tennis courts for quite a while until it turns left over the brook. Instead take the gravel footpath that brings you out at the church

4 At this point the South Bucks Way leaves us, as we turn right, rejoining in Denham.

5 Look for a gate leading to a path through woods. Cross the golf course following the white way marker posts.

6 The right-of way footpath at the ford is overgrown, so take the bridle way to the main road. There are no pedestrian facilities here to exercise caution crossing the road

7 This station is outside London Transport zones.
